## EQUITY AND INCLUSIVE EDUCATION

### 1. PURPOSE

This governance policy has been developed to support the values of Moosonee District School Area Board that all persons are entitled to learn and work in an environment that promotes human rights and equity of opportunity, free from discrimination and harassment. It supports Ministry of Education expectations that school boards have in place and sustain programs, procedures, and practices which reflect the principles of equity and inclusive education in eight specific areas of focus.

This policy affirms the Board's responsibility to provide a protected learning and working environment that is supportive of the dignity, self-esteem, and fair treatment of everyone taking part in Board activities.

### 2. DEFINITIONS

**Equity:** Equity is the provision of opportunities for equality, ensuring that personal or social circumstances are not an obstacle to achieving potential. Equity of treatment is not the same as equal treatment because it includes acknowledging historical and present discrimination against identified groups and removing barriers, eliminating discrimination, and remedying the impact of past discrimination.

**Discrimination:** Discrimination is differential treatment which negatively affects the status of a person based upon a prohibited ground under the *Ontario Human Rights Code*.

**Harassment:** Harassment is defined in the *Ontario Human Rights Code* as "engaging in a course of vexatious comment or conduct that is known or ought reasonably to be known to be unwelcome".

**Prohibited Grounds:** The *Ontario Human Rights Code* defines prohibited grounds as: race, ancestry, place of origin, colour, ethnic origin, citizenship, creed (religion), sex (includes gender identify and pregnancy), sexual orientation, age, record of offences, marital status, family status, and/or disability (includes perceived disability). [From *Human Rights at Work*. Third Edition, p. 14]

### 3. POLICY

- 3.1 The Moosonee District School Area Board believes that all students can learn. The Board's goal is to enable each and every student to learn effectively, to reduce achievement gaps, and to improve learning outcomes for all, regardless of historical forms of marginalization as set out in the prohibited grounds of the *Ontario Human Rights Code*.
- 3.2 The Board upholds the principles of respect for human rights and fundamental freedoms enshrined in the *Canadian Charter of Rights and Freedoms*, the *Constitution Act*, and confirmed in the *Ontario Human Rights Code*. The Board and its staff are also committed to the elimination of all types of discrimination as outlined in the Ontario Ministry of Education Equity and Inclusive Education Strategy and the Ministry Policy/Program Memorandum No. 119.
- 3.3 The Board recognizes that equity of opportunity and equity of access to the full range of programs, and to the delivery of services and resources, are critical to the achievement of fair and inclusive education, which should permeate all policies, programs, practices, and operations.
