DISCONNECTING FROM WORK

PURPOSE

The health and wellbeing of employees is of the utmost importance. The Moosonee District School Area Board encourages and supports employees in prioritizing their own wellbeing.

Disconnecting from work is important for an individual’s wellbeing, and helps employees achieve a healthy and sustainable work-life balance. Disconnecting from work means to not engage in work-related communications, including emails, telephone calls, video calls or the sending or reviewing of other messages, so as to be free from the performance of work.

To encourage and support employees in balancing their working and personal lives, whether working traditional hours in the workplace, or remotely, MDSAB has implemented this Disconnecting-from-Work procedure to encourage employees to disconnect from work outside of their normal working hours in accordance with and subject to this procedure.

DEFINITIONS

After-Hours: refers to any time between the hours of 5:00 p.m. - 7:00 a.m., Monday to Friday, all day Saturday, Sunday, statutory holidays, and (if applicable) any other Board-designated non-working days.

The above definition may be varied depending on specific agreements with employees, as to employee work hours or requiring an employee to be available for After-Hour emergencies.

Disconnect from Work: means not engaging in work-related communications, including emails, telephone calls, video calls, or the sending or reviewing other messages, so as to be free from the performance of work.

Mass e-mails: refer to electronic mail messages sent to a large number of employees.

1. General Expectations

- 1.1 Employees are advised to Disconnect from Work After-Hours, unless the matter can reasonably be constituted as an emergency or a significant event that calls for immediate action.
- 1.2 Mass e-mails produced for the purpose of providing information as to current or upcoming matters related to the Moosonee District School Area Board, should not be circulated After-Hours. Such e-mails should be delivered during business hours only, to ensure that employees' non-work hours, vacation time, and personal and family life be respected. There may be unique situations where critical information of an urgent nature must be provided through Mass e-mails delivered After-Hours.
- 1.3 This procedure provides employees with the opportunity for proper balance between work and lifestyle which ought to positively impact employee wellness.
- 1.4 A copy of this procedure copy shall be shared with all Moosonee District School Area Board employees before June 1, 2022. A copy of this procedure will be shared with all new employees on their first day of joining the Moosonee District School Area Board.

2. Application

- 2.1 This procedure applies to all employees, whether working remotely, or in the workplace.

 - b) to fill in on short notice for a colleague who has called in sick or is unavailable for work;
 - c) where unforeseeable circumstances may arise;
 - d) where an emergency may arise;
 - e) where employees voluntarily wish to communicate with one another for work-related purposes outside of their normal working hours; or
 - f) other business or operational reasons that require contact outside of an employee's normal working hours.
- 2.3 Nothing in this procedure precludes the employer or other employees of the Board from contacting colleagues, clients/customers, or other employees outside their normal working hours for circumstances as outlined above, or as otherwise required to meet business needs, subject to any rights or other entitlements the receiving colleague or employee may have under the Ontario Employment Standards Act, 2000 (the "ESA").
